

The CARE committee is looking for volunteers. We are in need of people to sell cards after masses on the weekends. We would like to have a few families from each grade be regular sellers. This would take about 10-15 minutes and you receive 1 service hour. Training is required, which takes about 30 minutes.

CARE is also in need of a new Finance Chair. This position is becoming vacant this month. The duties include: reconciling the monthly bank statement, reconciling sales to the inventory on alternate months, submitting a report to the business office each month, and preparing family tuition rewards once a year. You would also keep a backup of CARE records on your computer. The time commitment is just a few hours a month plus two hours each April to prepare the end of year rewards.

Please consider volunteering your time with CARE sales. The money raised is put towards various donations to church and school in addition to the funding of two 8th grade scholarships worth \$1000 each. This years main donation is to the Pave the Way campaign. Please contact the CARE Committee at [StCCareCards@gmail.com](mailto:StCCareCards@gmail.com) with any questions or to volunteer.
