

March Classroom Challenge

There is plenty of time to try winning this month's contest! The challenge runs through April 2nd. The class with the most sales gets to choose between a class treat or a spirit day! Good luck to all the classes!

Send your orders into school and designate your child(ren)'s classroom. You can also email orders, buy at weekend masses, order online at www.ShopWithScrip.com and order on your smartphone through MyScripWallet. There are over 500 vendors online. There are also weekly bonus offers available online. Check our Facebook page or www.ShopWithScrip.com for details. Instructions for buying CARE cards are found on the school website under the Resources tab.

Do you need a place to earn your service hours? Selling CARE Cards after weekend masses earns you an hour for only 10-15 minutes of selling. We are also in need of a new Finance person to balance sales sheets with inventory. You would be part of a 2 person team that trade off months throughout the year. We need to fill this position before the end of the school year. Please email StCCareCards@gmail.com if interested.
