

St. Columbkille School participated in the Papillion Days Parade for the 100th Anniversary of the school 2 years ago, and we are planning to represent St. C in the parade again this year! We are organizing a committee for ideas for this year's parade. The theme this year is:

Papillion Days 2017 - "Papillion Goes Platinum, Celebrating 70 Years"

We need to come up with something creative. We want to encourage as many students and families as possible to walk in the parade. We ask that the students wear school uniforms, school sports uniforms, scouting attire, or St. Columbkille Spiritwear.

Let me know if you want to share ideas and thoughts and if you'd like to be on the committee. This is always a fun event and great for service hours!

DATE OF PARADE: Saturday, June 17th at 2:00 PM (We must be in position by 1:30 PM) - last time we lined up right outside the kindergarten doors by the school. We do hope that we get as many students as possible, and yes parents can walk and participate also. Make sure you have a school or spirit shirt supporting St. Columbkille School. Adults can wear school colors (Blue & White)

We will have a meeting in the near future to get this organized. Details to follow.
We will have water on the float for kids and adults to stay hydrated.
