

Application for Tuition Assistance
St. Columbkille Catholic School
2017-2018 School Year

We have a limited amount of funds designated for tuition assistance for this coming school year. Interested families need to complete this application and return it to the principal at St. Columbkille Catholic School. While there is no deadline for completing this application, be advised that once funds are disbursed there may be no financial assistance available using this process.

Amount of assistance can and will vary from year to year based on the amount of funds we have available for this program and how many applications we receive.

You do not have to provide the information on this form, but if you do not, we cannot approve your application for financial assistance. Please complete all parts and blanks on this form.

We reserve the right to ask for written verification of the information provided on this application.

You may apply at any time during the school year, but a new application needs to be completed for each new school year. Please check the school year date at the top of the application to be sure it is the correct year for which you are applying for assistance.

If your spouse is deployed to a combat zone, his or her combat pay is not counted as income if it wasn't received prior to deployment.

If you receive off-base military housing allowance, it must be included as income. Call the school if you have questions.

If your income is not always the same, list the amount that you normally receive.

If you lost your job or had your wages reduced, then use your current income.

You must include all people living in your household, related or not, who share income and expenses. If you live with people who are economically independent who you do not support and who do not share income with you, do not include them.

Tuition assistance amounts are not determined until the month of June. This is after the Children's Scholarship Fund (CSF) awards are determined. If you have applied for a CSF award, and you do not receive one, that application will then be used for our local tuition assistance application. You will not have to apply again for the local assistance.

Part 1: Household Members

First & Last Name	Age	School Attending & Grade	Check if no Income

Part 2: Household Gross Income (indicate frequency of income, e.g., weekly, every other week, monthly, annually, etc.)
